The Higher education system in Georgia

- **Since 2005, the quality assurance system of higher education has been implemented in the higher education system of Georgia.**
- **Higher education programs are described by the European Credit Transfer and Accumulation System (ECTS).**

- **The higher education system in Georgia consists of three levels:**
- **Bachelor's (4-years study consists of at least 240 credits; 180 - mandatory; 60 – optional). Some programs became 3-years.**

- **Master's (2-years study consists 120 credits)**

- **Doctoral levels(3-years study)**
- **Carries out one-cycle educational programs in Medicine/Dentistry (6 years/5 years study)**
- **Teacher preparation integrated bachelor's and master's program**

- **For more information you can visit: [www: https://eqe.ge/en](https://eqe.ge/en)**
