STUDENT COMMUNITY ENGAGEMENT

Center for Community Engagement

MISSION: The Center for Community Engagement (CCE) promotes the College's positive relationship with the local community and is dedicated to enhancing the quality of life in York.

CORE VALUES: The York College Center for Community Engagement recognizes the tireless efforts of the citizens in our community on behalf of our community.

The Center for Community Engagement (CCE) promotes the College's positive relationship with the local community and is dedicated to enhancing the quality of life in York County.

Marketview Arts

Opened in 2012, Marketview Arts has become a creative hub for students, faculty, professional artists, and community members. Through curated exhibitions and programs, Marketview Arts provides opportunities for York College students and community members to engage in conversations about social and global issues.

Exhibitions

Student led, juried, and traveling exhibitions allow students to exhibit their art while also learning about how to plan and install exhibitions.

Undergraduate classes

The Classroom Lab is a multipurpose space used for York College Fine Art classes, workshops, small exhibits, and more.

Knowledge Park

Knowledge Park at YCP will provide a place for our campus community where high-impact learning will be activated, while also accelerating our region's economic development. Offering an estimated \$64 million in economic value to the York area, Knowledge Park will provide hundreds of employment opportunities and is projected to generate over \$27 million of income for the local economy.
